 - o PROS 2022-186809 – theft of firearms: Update - theft of a tractor-trailer containing firearms at 01h00 on 2022-02-13 in Peterborough. POJ (Peterborough police) is the lead agency; OPP also engaged to assist POJ. Canada wide CPIC-BOLO is in place. RCMP-OINSET GTA has offered to assist the POJ but has not been required thus far. OINSET will maintain visibility on the POJ investigation's progress and will update FPNS of any developments. Manifest information indicates the trailer contained 45 skids of sporting goods including 3,409 .22 calibre long firearms produced by Savage arms, 6,468 magazines, assorted stocks, stock assemblies, tension adjusting tools and trigger guards. media posts continue to reference the theft of the shipment. Peterborough police have issued a media release regarding the theft.

- - CIG Report #143: CIG reports a twitter post suggesting truckers should drive to Harrington Lake. No evidence to support a national security criminal investigation. FPNS confirmed through the CIG that PMPD are aware of the tweet and were advising their members. FPNS also confirmed the PM is currently located at the Harrington Lake residence.
 - CIG Report #144: CIG located a tweet which discusses an “Arrest Warrant” for the PM and Governor General supposedly issued by “The International Common Law Court of Justice”. This document is similar in style and content to one posted by the SOC in SPROS 2021-1557 **Personal Info.** FPNS reviewer advised for their awareness.
- CIG update on #144: A Twitter post was located indicating that Jim Watson and **Personal** **Perso** may have reached an agreement for demonstrators to leave residential areas by tomorrow. At this time, the original letter from Watson has not been identified. However, **Personal** posted a video where he denies these claims and asks protesters to not leave.
 - At 20:27 2022-02-13, there are two tweets from the account associated to **Personal** **Person** twitter that are contradicting. In one, a tweet states that “The media Lies to their viewers” No “deal” has been made. End the mandates, end the passports. That is why we are here”.^[ii] In the second tweet, the user state “Plans to relocate trucks out of residential areas as agreed to will go ahead.”^[iii]
- CIG OSINT CIG OSINT located a live video of **Personal** posted on Facebook at 20:53pm:
 - **Perso** denies any agreement and states that the letters that were sent out during the counter protest today, stipulating that the convoy needs to move was a lie. **Persona** instructs the truckers to stand their ground and not to leave. **Perso** states Tamara would never back out of this. **Perso** appears to be asked why doesn’t **Persona** come out and say this. He responds that **Person** is holding her line and is under politics and to trust **Perso** and where this information is coming from.
 - **Perso** will ban any commenters on his Facebook page that say they should be leaving.
 - **Perso** states ‘they will attack you from every direction’ and indicates ‘they are going after your character, they are going after your loved ones, cell phones, everything they can – do not back down’.^[i]

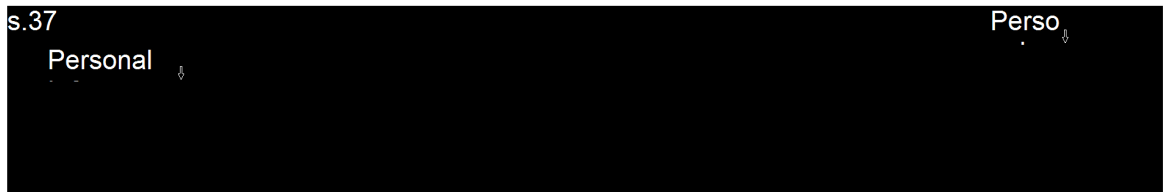

- Perso closes by stating ‘politicians are hitting the floor tomorrow, wait until you see what they are about to say’.
- CIG OSINT viewed a live video (21:15 Feb 13th) indicating the launch of a Freedom Convoy Token. The website www.freedomconvoytoken.com is indicated on the video. The website states:
 - ‘The Freedom Convoy project was born out of centralisation issues with fiat currency platforms such as GoFundMe. Being able to push our cause to a worldwide audience with no entity to control our vision meant going Decentralized. Canadians and worldwide investors all across the globe can voice their concerns through such a cause as another 4% of every transaction goes to Freedom Convoy Foundation (FCF). We need your support to bring life in Canada back to its rightful state as a FREE country.
